Description of Property and Justification: *(Please attach map and photo)*

This cluster of buildings is located at the end of a long, private dirt driveway off a network of unnamed, unpaved roads in a small rural pocket north of BWI Airport. It was not accessible to surveyors visiting in July 2002. Based on aerial maps, it appears to be a small farmstead with two buildings. Due to the rural nature of the enclave, a precise address could not be determined or tax records consulted for this property. It may be part of BWI landholdings.
